Clothes For Kids'
Goals for This Year:
Collect and Distribute
6,000 warm coats

Clothes For Kids provides school clothing--including socks, underwear and shoes--to students in our community whose families qualify for free or reduced meals at school. We serve all of Snohomish County and the Northshore school district of King County. Clothes For Kids is an independent, local 501(c)3 non-profit organization supported and powered by the community in which we live.

Our vision is to **empower students for success, one wardrobe at a time.**
Want to know more? Please contact us at office@clothesforkids.org.

Financial donations to this drive are also encouraged.
